All staff of Deer Park West Primary School are required by law to protect the personal and health information the school collects and holds.

The Victorian privacy laws, the *Information Privacy Act 2000* and the *Health Records Act 2001*, provide for the protection of personal and health information.

The privacy laws do not replace any existing obligations Deer Park West Primary School has under other laws. Essentially this policy will apply when other laws do not regulate the use of personal information.
